Located at 63-69 Baltimore Street, the building stands on the southwesterly corner of the intersection with South Liberty Street in the central business district of Cumberland, Allegany County.

The building, three stories high, consists of three mid nineteenth century brick structures with a common facade, a heavy bracketed cornice, and tie rods in the two eastern structures. There are modern shop fronts at the street level and six bays along Baltimore Street in each of the upper levels. The windows of the upper levels have bracketed cornices. The windows of the two eastern units (63-65) have doublehung wooden sashes with six-over-six lights and segmental arches. The windows of the westerly unit show signs of having been altered have double-hung wooden sashes with nine-over-nine lights.

The paint was recently removed from the facades. The building is structurally sound and presently houses two shops.
